

## CATALOGUE OF PENALTIES

Products that consist of Donau Soja/Europe Soja (DS/ES)-soya, contain DS/ES soya or were produced using DS/ES soya may be labelled as "Danube Soja"/"Europe Soja" or "fed with Danube Soja"/"fed with Europe Soja" once the Danube Soja/Europe Soja Licensing Agreement has been signed, and provided that the Danube Soja/Europe Soja Guidelines are complied with and this compliance is monitored and verified.

In case products incorrectly labelled as "Danube Soja"/"Europe Soja" or "fed with Danube Soja"/"fed with Europe Soja" are placed on the market, the following penalties will be charged by Danube Soja Association:

1. Penalty to be imposed in case labelling requirements have been violated for the first time:

Base amount/handling fee:	200 euros
Variable, quantity-based amount:	max. 20 euros/tonne of soya used

2. Penalty to be imposed in case labelling requirements have been seriously violated and/or violated several times:

Base amount/handling fee:	500 euros
Variable, quantity-based amount in case labelling requirements have been violated several times:	max. 50 euros/tonne of soya used
Variable, quantity-based amount in case labelling requirements have been majorly violated (according to remedial measure level 3) or very seriously violated (according to remedial measure level 4):	max. 50 euros/tonne of soya used

Furthermore, an additional amount for additional handling, up to and including a special audit, may be charged.

Version 2, valid after publication on 09. June 2021

Table: Example of the calculation of the quantity-based penalty amount\*, if the penalty per ton has been set at EUR 5

	<b>Egg-producing poultry</b>		<b>Fattening poultry</b>
Consumption of soya (as feed)/hen/year	9 kg	Consumption of soya (as feed)/chicken	564 grams
Consumption of soya (as feed)/egg	31 grams	Consumption of soya (as feed)/kg of usable meat	470 grams
Number of eggs/hen/year	290 pieces	Amount of usable meat/chicken	1.2 kg
Penalty per egg (in case of 5 €/tonne)	0,016ct/egg	Penalty per chicken (in case of 5 €/tonne)	0,28ct/chicken

\*for all products, for which is no calculation factor shown in this table, the amount of the contractual penalty will be calculated by Danube Soya according to the usual average values.
